SPORTS INJURY CLAIMS PROCEDURE

The following procedure is to be followed by any insured to submit a sport injury claim.

1. Report the injury immediately to your club's insurance officer who will issue you with a Claim Form/Physician's Statement Sheet. These forms are to be completed and returned **within 30 days of the injury.**
2. If you are claiming Loss of Income Benefits, have your employer complete the relevant section on the reverse side of the claim form, regarding period of your incapacity and employment details. Failure to fully complete this section may jeopardise the claim and will cause unnecessary delays in processing. Self employed persons must complete employment details onto a Statutory Declaration, and supply any other requested information relevant to the claim. **If you register as a Student you are not entitled to claim Loss of Income Benefits.**
3. The physician's statement is to be completed by your physician only (chiropractors and physiotherapists are not permitted to complete this form). All individuals must consult a doctor immediately after injury, to legitimise the claim.

NB The policy only responds to paid receipts (no exceptions).

4. Have your club's insurance officer or secretary complete the club's section of the form and return the claim form and physician's statement, together with any *NON-MEDICARE RECEIPTS* to this office within 30 days.

NOTE: If there are not any receipts available initially, please send the receipts in after the claim has been lodged. If you are in a private health fund, please present any accounts to your fund firstly and forward the rebate in for assessing. Following this procedure will ensure the maximum benefits and prompt response.
